Description
DOUBLE ROBE HOOK- INOX BRIGHT

Photo

Drawing

Material

Stainless Steel AISI 316 as per ASTM A167, A240 / A, A240M, A312

Technical Description

Double Robe Hook is manufactured completely from AISI 304 stainless steel. Hooks are 1.5mm thick and are mechanically pressed into 1.5mm thick mounting flange, with no welding providing a secure and aesthetically correct attachment. Mounting flange securely attaches to wall with exposed stainless steel screws.
